## Company Profile

Year, 2024

# About Us

**Agapetos One Africa Limited (AOAL)** is a Tanzanian multi-business private company, built on the foundation of strong partnerships. We bring together a comprehensive range of services across seven key sectors, ensuring that each area of our operations upholds the highest standards of quality, affordability, and sustainability. Our commitment to excellence is reflected in the following sectors: Goods, Services, Works, Agriculture, Manufacturing, Quarrying and Mining.

AOAL was incorporated on November 25, 2020, under the Companies Act, 2002, registered with BRELA and started its operations in 2022. This has enabled us to pursue our mission with dedication and purpose.

Apart from **Incorporation No: 145242428**, AOAL is a Registered Taxpayer with **TIN: 145-242-425** and Value Added Tax **VRN: 40-048245-B** with the Tanzania Revenue Authority (TRA), and **Business Permit No. TAN 0123 MDR REG0072** and **Premises Registration No. TMDA-WEB0123/MDR/0053** with Tanzania Medicines and Medical Devices (TMDA).

At AOAL, we recognize the transformative power of partnerships. We actively invite private and public investors, both domestic and international, to join us in our business ventures. Through formal partnership agreements, we ensure a secure and conducive environment for our partners and their investments. AOAL is committed to fostering collaborations that drive mutual success and growth across all sectors of our operations.

Join AOAL in our mission to drive innovation, quality, and sustainability in every industry we serve. Together, we can create a brighter, more prosperous future, leveraging our expertise and collaborative spirit to achieve remarkable milestones.

Welcome to Agapetos One Africa Limited, where your success is our priority.

# Goods Sector

Specializing in the procurement, supply, and delivery of high-quality goods, we ensure that our customers receive the best products at the most competitive prices. Our focus is on providing value and reliability, catering to a wide array of consumer needs.

We offer a diverse range of products, including but not limited to: Medical Devices, Stationary Equipment, Building Materials, and Supplies.

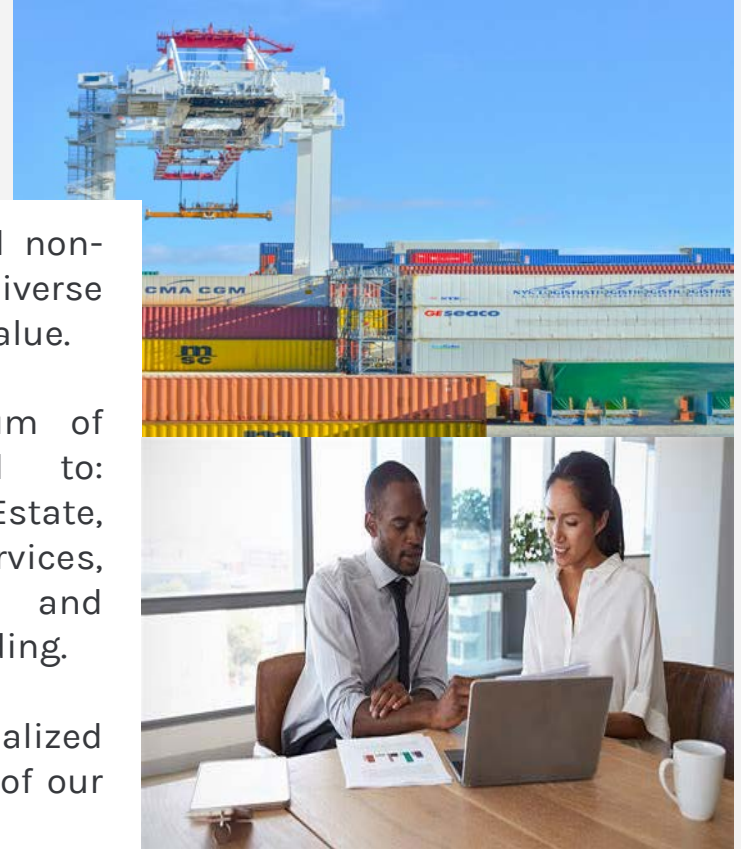

# Services Sector

We offer a broad range of professional and non-professional services designed to meet diverse consumer demands and deliver exceptional value.

Our services encompass a wide spectrum of offerings, including but not limited to: Transportation, Accommodation, Real Estate, Warehouse and Storage, Training, Courier Services, Insurance, Financial Services, Printing and Publishing, Catering and Clearing and Forwarding.

We also provide consultancies for specialized expertise tailored to meet the unique needs of our clients.

Sector Involved

# Works Sector

AOAL excels in civil, specialized, and building construction activities. Our expertise in this sector enables us to undertake complex projects, ensuring precision, safety, and durability in every construction endeavour.

## Sector Involved

# Agriculture Sector

Embracing the full spectrum of agribusiness, our activities span farming, aquaculture, pasturing, horticulture, forestry, and husbandry. We are committed to sustainable practices that promote growth and innovation in agriculture.

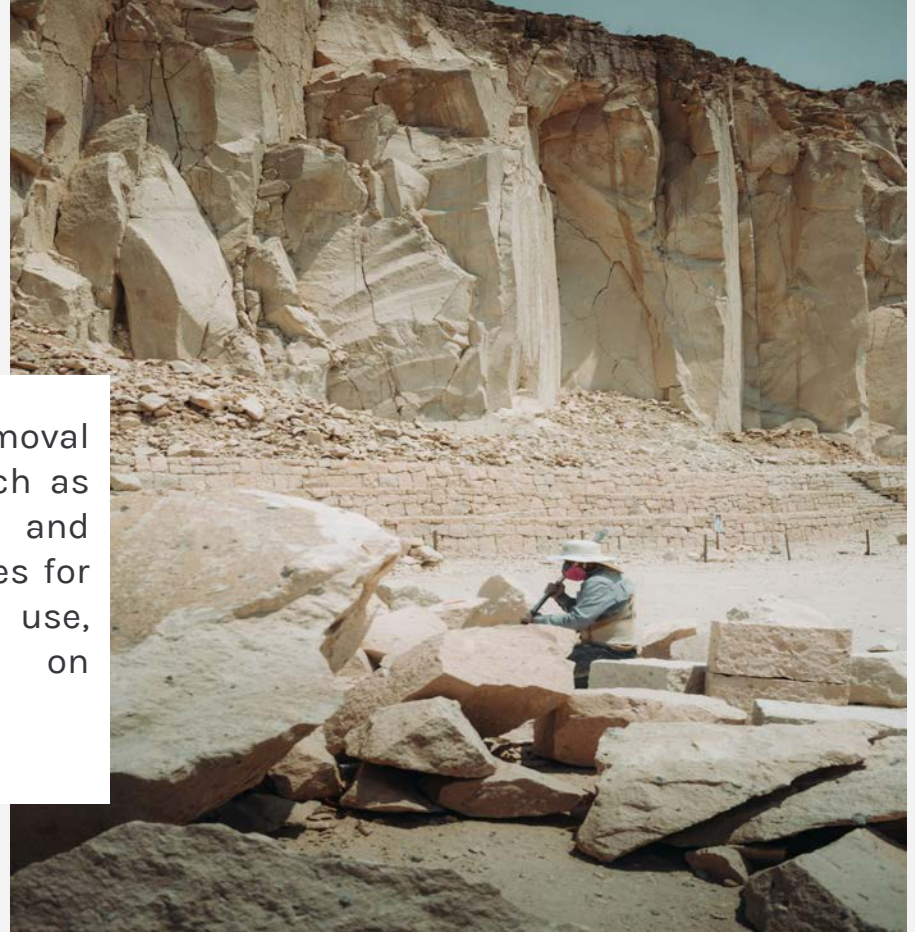

## Sector Involved

# Quarrying Sector

Specializing in the excavation, removal and collection of raw materials such as rocks, stones, slate, marble, sand, and gravel, we provide essential resources for construction and industrial use, maintaining a strong focus on environmental stewardship.

Sector Involved

# Mining Sector

Engaging in the exploration and extraction of geographical minerals, and other valuable materials including coal and metals, AOAL employs advanced techniques to ensure safe and effective mining operations, contributing to the economic development and industrial progress.

Sector Involved

# Manufacturing Sector

Transforming raw materials into finished goods, our manufacturing operations encompass both small and large-scale industries. We prioritize efficiency and quality, producing goods that meet the highest industry standards.
